**LEGISLATIVE
CONFERENCE**

YOUTH & GOVERNMENT OREGON YMCAs

2023-24 YAG begins!

REGISTER by DEC 15

Through the YMCA's Youth & Government Program, students develop critical thinking and leadership skills and have fun as they discuss and debate issues that affect citizens, propose possible legislation to make government more efficient, craft their own bills, and elect a Youth Governor and legislative leadership. Resources for all delegations are available at www.oregonymcas.org/youth-government.

Please send your delegation meeting days/times, web page (if you have one), and estimated number of delegates, lobbyists, and press corps to marisa@oregonymcas.org as your delegation regroups or forms.
